MOBILE VETERINARY UNITS

Department of Animal Husbandry and Dairying, Ministry of Fisheries, Animal Husbandry & Dairying has implemented Livestock Health and Disease control Program to improve animal health. A component under scheme ESHVD-MVU (Establishment & Strengthening of Veterinary Hospital and Dispensaries-Mobile Veterinary Unit), aim of MVU's is to increase accessibility of Veterinary services at farmers doorstep. The state of Himachal Pradesh has procured 44 MVU's under LHDCP @ 1MVU approximately for 1Lac Livestock population. MVU's are customized fabricated vehicles for veterinary health care with equipment for diagnosis, treatment, minor surgeries, and audio-visual aid to make aware the farmers. These MVU's are connected with call center having toll free number 1962, where call is received at this number and further case is assigned to the concerned nearest available MVU.
